London, Abbey Road 521

Ideal place to meet new friends and have a lots of
! fun !

Enjoy your time playing volleyball, basketball or football. For people who loves adrenalin sports we can offer rock climbing or go-carting! Our sport center cares a lot about our clientes physical and mental health. We own a small lovely coffee shop along with the center where peple can chat and try out our homemade sweets and coffee. Our center helps young people socialize, find friends with similar hobbies and spent their free time being active.
